

Super Special News from Candice Staggs, Sparkles the cat, and all the gang at **Falcon Direct**

Things are changing here at Falcon Direct and we think you're going to like those changes! We have prepared information on just a few of our new products that we think you will find to be of interest. Let's start with *MedTRAX™*.

MedTRAX™ Mobile Command Center

This is no ordinary mobile computer. This one has an i5 processor, touch screen monitor, built in GPS, and the worlds most advanced vehicle camera system. We call it *MedTRAX™*. It works with air cards, Wi-Fi or Mi-Fi. You've simply got to see it to believe it! It can be your mobile PC, guidance & tracking system, litigation avoidance tool & administrative assistant and a whole lot more for less than the cost of a good "hardened" PC. And did we mention that it has a 3 year warranty that covers EVERYTHING including being dropped on the ground and run over by a truck! Call us 24/7 for more

information or visit our Facebook page for at www.facebook.com/falcondirect1 for super special offers on this and other fine products.

Vehicle Intercom System

Want a simple and affordable means of communicating within the vehicle or at the scene? We've got the answer with a PAIR of digital HIPAA compliant radios with headsets and charger PLUS lightweight headsets and a one year warranty. Your price is only \$125 for the complete package! See www.info4u.us/TSX300.pdf.

Dual Band VHF/UHF Radio

The incredible new Dual Band VHF/UHF radio has built in paging, is both PC and keypad programmable, and the price is only \$199! For more information, please go to www.info4u.us/dbp.pdf or drop us an email to ServinU@falcondirect.com.

Driving Event Camera/Recorder System

If you've been looking for an affordable camera system, we have your solution in hand – one hand that is! The new CVR-2CH monitors both driver and traffic ahead of the vehicle with event recordings, GPS tracking and 3-Axis G-Sensor. Are you ready for the price? It's just \$249 plus \$15 shipping and handling. More info available: <http://www.polarisusa.com/product/1342/cvr-2ch>

We have lots of other news available on the Internet. For additional information, please see:
