

# Falcon Direct Top Products Eligible for 2011 AFG Funding

## Wireless Station Security System

**Manufacturer**  
Falcon Direct  
Model ACT-Reporter

**Budgetary Cost**  
\$1,500

2011 FEMA Guidelines now approve the purchase of station alarm reporting systems. The ACT-Reporter sends notification messages directly to your 2-way radios and there are no delays and no monthly monitoring fees! Complete information is available on line at: [www.info4u.us/Report.pdf](http://www.info4u.us/Report.pdf)

## Most Affordable Water Resistant Portable

**Manufacturer**  
HYT  
Model TC-610P

**Budgetary Cost**  
\$349

The TC-610P is available in your choice of VHF or UHF with MDC-1200 Unit ID or 2-tone paging. It is IP66 rated for water protection as well as MIL-SPEC 810F. 5/4 watts of power, great audio, 14 hour battery life and 16 channel capability. Complete specs available at [www.info4u.us/TC610P.pdf](http://www.info4u.us/TC610P.pdf).

## Most Affordable Intrinsically Safe Portable

**Manufacturer**  
HYT  
Model TC-700EX

**Budgetary Cost**  
\$585

The TC-700EX Plus has MDC 1200 ID and paging. It is IP54 rated with 1 full watt of audio and is approved for Intrinsically Safe operation. It has 16 channel capability, audible channel announce and many other super features. Complete specs available: [www.info4u.us/TC700EX.pdf](http://www.info4u.us/TC700EX.pdf).

## Most Affordable Submersible & IS Radio

**Manufacturer**  
ICOM  
Model F60 and F60V

**Budgetary Cost**  
\$595

The F60V is IP67 rated for full immersion capability plus it is optionally intrinsically safe rated, has both 2-tone paging and MDC-1200, 5 watts of power in both VHF and UHF. It's extra loud (700 mW), extra small and light! Complete specs available at [www.info4u.us/F50V.pdf](http://www.info4u.us/F50V.pdf)

## Most Affordable Submersible Digital Radio

**Manufacturer**  
Hytera  
Model PD-702

**Budgetary Cost**  
\$776

The PD702 can operate in both analog and DMR digital modes with full immersion capability (IP67). Featuring up to 32 channel capability, the PD702 has both audible and vibrate alert. A three year warranty keeps maintenance costs low! Complete specs are available at [www.info4u.us/PD702.pdf](http://www.info4u.us/PD702.pdf)

## Most Affordable Quad Band Portable

**Manufacturer**  
Thales  
Model - Liberty

**Budgetary Cost**  
\$5,000

To comply with the SCIP (State Interoperability Communications Plan), you need a radio with 700 MHz P25 trunking ability. This radio handles VHF, UHF, 700 and 800 MHz analog and P25 digital, conventional or trunked! Complete specs available at [www.info4u.us/Liberty.pdf](http://www.info4u.us/Liberty.pdf)

Note: For a detailed explanation of IP dust and water ratings, please refer to [www.aquatext.com/tables/ip\\_ratings.htm](http://www.aquatext.com/tables/ip_ratings.htm). Other approved products follow:
