

Spring is sprung.....

the grass is green, the birds are singing, and if you listen closely, you will hear the sounds of happy players as they spend money at your facility! Of course, there are ways to encourage them to spend more money by purchasing more food and beverages, and by inviting more people because of the pleasure of playing your course. There are some things you can do to make things more pleasurable for the players and more profitable for you. For example.....

Start using our new **Jobcom** radios and save a LOT of money! Pay just \$199 per radio and never pay more than \$94 per repair INCLUDING a new battery, housing, upgrades, and labels!

Put one of our battery powered **OutPost XT** call boxes on the 9th tee and watch your F&B revenues shoot up! Pay just \$695! No electrical installation required. Try it, you'll like it!

At fixed locations such as the Pro Shop, the Restaurant, the maintenance office, and at your main entrance plug in the **Jobcom Base Unit**. No batteries required. Works with most 2-way radios, VHF or UHF. Just \$299!

Put our **LoudMouth** near the practice greens, patio, and parking lot to let people know when their tee time is ready. No installation required. Activate from any 2-way radio. It's just \$698 complete with battery!

Got problems with vandalism? Get our **Quick Talk-VS**. This incredible device will tell you by radio when a vehicle enters via a back gate. It's only \$674! Works with most 2-way radios!

Put **Quick Assist** at your front desk, Pro Shop, Restaurant, Cart return area or anywhere else where players may need assistance when no one is there. It's just \$289! No installation required!
