

Memo

To: Chief Law Enforcement Officer
From: Burch Falkner
Date: April 23, 2009
Re: Byrne Grant information

Good morning!

As you know the Byrne (COPS) grant application closes on May 18th. This is a great opportunity to get the equipment and services you need to do your job a little better.

Of particular note is the Alabama DHS mandate for all federally funded equipment to be P25 analog narrow band and digital compatible. This could be an excellent opportunity to upgrade your complete communications system with federal funding.

We have some other items of interest including affordable and efficient vehicle cameras and other items that may be of interest.

Additional information is included on the attachment with this memo. We would welcome the opportunity to demonstrate this new technology and assist in any way possible.

Thanks in advance for your consideration. We shall look forward to serving you!

What do we do for law enforcement?

Here are just a few of our products and services. We're ready to go to work for YOU!

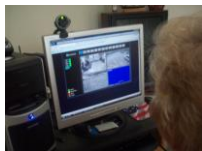

New Communications Systems

DHS and SafeCom approved P25 Analog/digital radio systems are Now available on the Alabama State Contract from Falcon Direct. Choose from BK/Relm, ICOM, Midland, or Motorola. More information at <http://falconinfo.blogspot.com/2008/10/alabama-state-contract-news.html>. Call 1.800.489.2611 for a demonstration or assistance as required. We are here to help YOU!

Vehicle Camera Systems

Nobody beats our quality, performance, features, service, or price. Put us to the test by requesting a demonstration. In the meantime, check out our most popular offering at www.info4u.us/EagleEye200s.pdf, or if you prefer visit www.vehiclecameras.us for info on all our cameras.

School Surveillance Systems

Schools need to be safe during the day, and secure after hours. A Falcon Direct Access Control and Surveillance system with remote viewing provide a unique solution for the students, staff and your police officers! Email us for additional information – sales@falcondirect.com

Installation and Maintenance Services

If you are tired of paying too much and getting too little for installation and maintenance services, you need to know more about our UltraCare Plus program. Check us out. You'll be glad you did! More information is available at www.UltraCarePlus.com.

Emergency Alerting Systems

Providing instant wireless calling capability in courts, government offices, merchant premises, and schools can improve your response time and make your community a better place to live. More information at <http://falconinfo.blogspot.com/search/label/Municipal%20News>.

We uniquely offer replacement batteries with a 3 year warranty, antennas with a 10 year warranty, and much, much more! Check out our law enforcement web page at www.lawmobility.com and keep up with current news at <http://falconinfo.blogspot.com>. We look forward to serving you!
