* The Motorola DTR650 is a very special radio with very special features not compared with traditional analog radios. Please visit our web site at www.dtr2way.com or call 800.489.2611 for pricing or more information.

Free programming is included with all models. Information on our available service programs is available at www.UltraCarePlus.com. In particular, check out the TimeShare program. We think you'll like it! Another great program is our ability to link schools and hospitals directly with local law enforcement agencies. Call me at 800.489.2611 for additional information. You'll be glad you did!

Our most popular accessories are as follows:

Carrying case—\$29

Speaker-microphone—\$49

Spare battery—\$59

All radios listed are available for evaluation. For additional information please visit our special web page at <http://ultracareplus.com/trials.aspx>. You're going to like doing business with us! Our job is taking care of YOU!

Sincerely,

Burch H. Falkner
