

# Are you looking for.....

the best value in public safety repeaters? Look no further! We offer the best prices, fastest delivery, free programming, and your choice of Analog with P25 upgrade capability, DTR (Hytera and MotoTRBO), NXDN (ICOM & Kenwood) or full P25 (APCO-25) by Midland. A quick Review Chart is provided below with the main features and pricing of our most popular 50/60 watt and 100/110 watt mixed mode analog/digital repeaters. Best of all, we back them all with the best service and support program available anywhere. If any one of our repeaters fails within the first five years, you'll have a replacement within 24 hours or we pay you \$500. Nobody provides better service than Falcon Direct – NOBODY! Want to try one of our new repeaters with a pair of analog/digital portables on your frequency at no cost? Just give us a call at 205.854.2611 or email [AtYourService@falcondirect.com](mailto:AtYourService@falcondirect.com).

- (1) Standard TimeShare service provides a direct exchange replacement base/repeater station at our Birmingham, AL facility. There is no charge within the 5 year warranty period for customer pickup of a loaner station or for repairs as required, excluding abuse of abnormal electrical conditions (sags, spikes, surges, or lightning). There will be a charge for on-site repair or delivery of replacement station if applicable. On-Site repair or exchange will normally be performed within 24 hours or less as defined by customer requirements.
- (2) Includes battery backup (battery not included)
- (3) Additional information on analog radio systems is available at [www.info4u.us/Analog\\_Planner.pdf](http://www.info4u.us/Analog_Planner.pdf). Additional information on DMR digital radio systems is available at [www.info4u.us/DMR.pdf](http://www.info4u.us/DMR.pdf). Additional information on NXDN is at [www.info4u.us/IDAS-Guide.pdf](http://www.info4u.us/IDAS-Guide.pdf) and more information on P25 is available at [www.info4u.us/P25Guide.pdf](http://www.info4u.us/P25Guide.pdf).
- (4) If you would like to try any of our stations with a pair of portables on a 15 day evaluation, please call Falcon Direct at 205.854.2611 or email [AtYourService@falcondirect.com](mailto:AtYourService@falcondirect.com). We look forward to serving you!
