

An affordable, efficient, and reliable wireless emergency calling system!

# PPS™

## Personal Protection System

The all new **PPS Personal Protection System** provides a simple and affordable wireless calling unit that can be used by clerks, judges and administrative officials, to call for help at the push of a button!

The battery powered PPS sending unit (below right) requires no installation or even AC power. The calls for assistance are broadcast directly to on duty officers.

Each PPS sending unit has a one time cost of just \$449 or \$598 with an associated 2-way communicator. Additional information available at [www.info4u.us/CAPInfo.pdf](http://www.info4u.us/CAPInfo.pdf).

- Compatible with VHF or UHF Radio systems
- Provides voice notification at the push of a button
- No wiring or installation required
- Alabama Administrative Office of Courts (AOC) approved
- Five year direct exchange warranty on PPS (1 year on 2-way radio)
- Extended coverage available with optional low cost repeater
- Great for administrative offices, community activity centers, courtrooms, libraries, and schools
