

# RelmWireless U-Programmable Radios

from Falcon Direct, Inc.

Affordable, flexible, reliable MIL-SPEC reliability

Relm U-Programmable radios give you the flexibility you need in emergency situations!.

You have lots of choices in 2-way radios with features and functionality to meet virtually any need at reasonable cost, but if you want to go beyond the ordinary, you need to go with Relm U-Programmables!

These incredible radios are both PC and keypad programmable! Take your pick of a portable or mobile at incredible low prices available on the Alabama State Contract. You save 34% over regular prices! A copy of the contract is available at [www.info4u.us/relmcontract.pdf](http://www.info4u.us/relmcontract.pdf)

Your price is just \$192.50 with your choice of VHF or UHF for the portable RR6500. Add just \$50 for a PC programming kit or \$42 for a user programming manual. If you wish, we will program up to 16 channels for \$25 or add a FOUR YEAR warranty for just \$60!

The RM800 mobile is just \$332! Programming options are the same as the portable.
