

# Advanced Tactical Products From

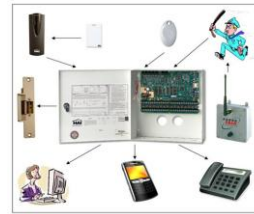

*Advance Tactical (ATAC) Products* provide enhanced personal safety for the citizens in your community while reducing arson, robbery, theft, and vandalism. At the same time, a higher level of efficiency and safety is provided for your officers. Administrative management and reduction in litigation cost is made possible through the use of our vehicle camera systems while premise monitoring systems often pay for themselves in terms of reduced utility expense, lower insurance premiums, and better control over vandalism in schools and other public property.

## **Personal Protector Only \$449!**

Our new *Personal Protection System (PPS)* provides instant wireless notification when an office staff member, school office, or merchant needs assistance. Your community can be a safer place to live with PPS! Additional information is available at: [www.info4u.us/PPS.pdf](http://www.info4u.us/PPS.pdf)

## **Premise Control Only \$3,995!**

*AccessPlus* can put a stop to arson, theft, and vandalism by controlling access, detecting activity and notifying public safety responders. Video cameras can transmit activity over the Internet to PC's, even alert personnel by cell phones and 2-way radio. More info at: [www.info4u.us/monitor.pdf](http://www.info4u.us/monitor.pdf).

## **Stake Out Systems Only \$1,795!**

The original *CrookCatcher* was developed and manufactured in Alabama to serve the special needs of law enforcement investigation personnel. Increases officer efficiency and reduces response time. Additional information is available at [www.info4u.us/cc.pdf](http://www.info4u.us/cc.pdf).

## **Vehicle Cameras Under \$3,000!**

Normally we recommend using a budgetary number of \$4,500 when planning the purchase of a vehicle camera. In reality, you can purchase a top quality system for under \$3,000 and even get a generous trade in allowance for your old cameras. Details at: [www.info4u.us/trade100.pdf](http://www.info4u.us/trade100.pdf).

The products listed on this page have been specifically selected to provide improved community services as a part of our VISION program. Additional information on VISION is available at [www.communityalliance.info](http://www.communityalliance.info). Working together, we CAN make your community a better place to live, work, and play!
