E-Z Mobile computing!

Mobile computing has come a long way since our founder, while working with Sylvania in the early 70's, was involved in the installation of one of the first mobile computing systems in the world! Cost has come down. Reliability has improved, and functionality has been simplified and expanded. Falcon Direct has now teamed with Dell Computer and Ram mounts to provide the most flexible and affordable mobile PC package available anywhere! We can provide complete mobile computing packages for far less than you might expect! We offer creative financing programs and the best customer service available anywhere! For additional information, just click [here](#) or on the picture at the left. You are in for a very pleasant surprise!

Thanks for visiting with us! We look forward to serving you! If you would like to receive a notification by email when a new eNewsletter is available, just drop us an email to sales@falcondirect.com.
