

HYT-Hytera Professional Portable 2-Way Radios

Model	TC-320	TC-518	TC-610	TC-780	PD-782
 					
Primary Use	America's smallest and most affordable UHF portable radio. Very well suited for hospital, retail, school and surveillance applications.	Similar to TC-320 but with more power and available for either VHF or UHF use. Slightly larger than the TC-320. Desk charger standard.	Industrial grade radio ideally suited for plant and outdoor use. Both VHF and UHF models are available. Very good dust and water immunity.	Full featured top of the line radio. User ID with LCD display plus individual or group calling. Compatible with all models listed. MIL SPEC reliability.	Our best portable radio with both analog and digital capability UHF and VHF models have User ID, selective calling, privacy and much more!
